To whom it may concern :

I am writing this letter to protest the recent decision the state is about to make about cutting F. R. C. programs, I truly think this is a bad idea because this program helps us a lot with out kids with their homework when they don't understand and we can't help them, also is helping us the parents a lot with the English classes too. I really think this program is very good one for all of us and I don't' think you should remove it.

Please consider your decision and the effects it will have if you remove the program.

Sincerely,

Aurora Valladres
